A PIONEER IN PHARMACEUTICALS

Our strong commitment in the industry for the last years has proven us to be a trusted trader in pharmaceutical raw materials in Indonesia. We are one of the top leaders in premium pharmaceutical raw materials. We are proud to be the pioneer for most of our diversified products across nations. Our products have helped the biggest names in the industry to achieve success across Indonesia and saved millions of lives. Supported by professionals with years of experience in the field, we never stop to introduce the latest generation of medicine raw materials. Our ambitions are for the better health and life of a nation. Think globally, serve the locals, grow unstoppable.
